DOUGLASS PERSPECTIVES

HOSTED BY DEAN
MEGHAN REHBEIN

Watch! Douglass Perspectives

Douglass Perspectives is a new video series that brings together members of the Douglass community in critical conversations around feminist education. In this episode, Dean Meghan Rehbein sits down with long-time SUPER mentor and Chair of Materials Science and Engineering, Dr. Lisa Klein to celebrate the thirty-year anniversary of Project SUPER Undergraduate Research Program. Plus, view experiments from Dr. Klein's 2023 Project SUPER mentees, Abigail Schoeffler DRC'26 and Paloma Hidalgo DRC'26. [Watch here!](#)

How Can I Support Douglass?

Douglass students seek to change the world. Your philanthropy makes this dream a reality. Douglass offers students experiential learning programs that empower them to achieve academic excellence, personal growth and leadership roles – both at college and in their careers. Your continued generosity ensures our students experience the Douglass Difference and secures our position as a national model for feminist education. [Give here!](#)
