ABOUT

An externship is an immersive workplace experience lasting 1-2 weeks in which students are mentored by a professional in their area of interest. During the externship students work on projects, sit in on meetings, and get an inside glimpse into the life of a particular career.

WHY MENTOR?

A New Talent Pool: Find your next trusted employee or company star. Externship students often return to their externship sites for internships or future employment.

Build Leaders: Be a part of shaping the next generation of leaders in the workplace. Douglass students don't just do *well*, they do *good*. You are an essential part in helping these up and coming community leaders gain the workplace skills they need to succeed.

A New Perspective: Site mentors often use this opportunity to consider the perspectives of the next generation. Find out how a student point of view can help your company, firm, or industry grow!
